

Dear Shareholder,

LF Money Market Pension Fund (the "Fund")

We are writing to you as a unitholder in the Fund to notify you of our proposal to make the following changes to the Fund:

The Fund will be renamed "**LF Cash Pension Fund**".

The investment objective and policy of the Fund will be changed to reflect a change in the underlying investment fund into which the Fund invests. In addition, we have decided to add the flexibility to invest in cash, where investing in units in the underlying investment fund is impracticable.

Background

The Fund operates as a feeder fund. The underlying investment fund into which the Fund invests is the Janus Henderson Money Market Unit Trust (the "Henderson Fund"). We have been notified by the operator of the Henderson Fund that the Henderson Fund is closing and will be terminated on 14th January 2019. From 14th January 2019, therefore, the Henderson Fund will no longer be available for investment and, to the extent that the Fund still holds units in the Henderson Fund on that date, those units will be redeemed and the Fund will receive cash in respect of those units.

We have therefore identified a replacement investment fund into which we propose the Fund transfers its investment. This fund is the LGIM Sterling Liquidity Plus Fund (the "LGIM Fund"), which is managed by Legal and General Investment Management Limited. We therefore propose to change the investment objective and policy of the Fund to reflect that it will from 11th January 2019 invest solely in units of the LGIM Fund. In addition to this, we are updating the investment objective and policy of the Fund to permit the Fund to invest in cash, where it is impracticable to hold units in the LGIM Fund.

Further details in respect of the LGIM Fund are set out below.

The changes are due to take effect from 11th January 2019. You do not need to take any action in respect of this letter. However, if you are uncertain about the impact of the changes set out in this letter, please contact your financial adviser.

The LGIM Fund

The LGIM Sterling Liquidity Plus Fund may at any time change the LGIM Sterling Liquidity Plus Fund Benchmark in certain circumstances and any change will be disclosed in the annual or half-yearly report of the LGIM Sterling Liquidity Plus Fund issued subsequent to such change.

The revised investment objective and policy of the Fund

We have set out below the investment objective and policy in redline to show the proposed changes. Text which is to be replaced is shown in red strikethrough font. Text which is to be inserted is shown in blue font. The prospectus refers to the Fund as a "Constituent Fund". The underlying funds of the Constituent Funds are referred to as "Underlying Funds". For consistency, we have replicated this naming convention here also.

Investment objective and policy

LF Stakeholder Pension Scheme (and each of the Constituent Funds) aims for long-term capital growth by each investing in single authorised collective investment schemes.

The Underlying Funds are L&G (N) Tracker Trust, Legal & General Sterling Income Fund and LGIM Sterling Liquidity Plus Fund.

LF Cash Pension Fund
