2. Guidance

How you use your pension savings to provide an income in retirement is an important decision. There are many options available to you, not all of these may be suitable for your individual needs and circumstances. There are several factors that you need to consider before making a choice about which retirement option, or combination of options, is right for you. All options carry a degree of risk that you should be aware of before you make a decision and some choices may be irreversible.

We strongly recommend you take the free and impartial guidance offered by the government. You can find out more on the dedicated Pension Wise website www.pensionwise.gov.uk. This service also offers guidance over the phone or face to face. Simply call 0300 330 1001. Or consider taking advice from a financial adviser.
